## County Against Application To Establish Hutt. Colony

At the regular August meeting of the council of the County of Vulcan, J. S. Dixon of the Brant area interviewed the Council in respect to the new application to establish a Hutterite Colony in the Brant area by the Rock Lake Hutterian Brethren. Mr. Dixon spoke at some length and told of the efforts his group had undertaken to oppose the application. He also stressed the fact that the group was very much opposed to permitting any Hutterite Colony

to have a school located on the colony and cited the situation in respect to the New Dale Colony east of Queenstown. It was pointed out to Mr. Dixon that the New Dale Colony and other colonies in the province were permitted to have schools in the colonies and that the schools were operated in strict compliance with the Department of Education regulations and were under the supervision of the School Inspector and the general administration of the area concerned. The schools were considered to be public schools and operated as such.

## Topographical Survey Of Town Underway

A topographical survey of the Town of Vulcan has been started by the Oldman River Regional Planning Commission. Being done at the request of the town council, the survey will provide valuable information regarding the elevations of streets, avenues and roads, the location of natural drainage areas and other data relevant to the planning of hard surfacing and drainage and sewer projects.

Building permits to the value of \$42,000 were approved at the town council meeting on Aug. 14. These included one private home, renovations to a business property, home renovations and a private garage, and a new garage and office for Canadian Western Natural Gas Co.

Council agreed upon the necessity of installing air conditioning in the town office but deferred action on this matter.

Mrs. E. Wolochaty was appointed as enumerator for the 1967 voters' list.

## Ray Wellman Men's Champion Vulcan Golfers

Club playoffs of the Vulcan Golf and Country Club were held on Sunday, Aug. 27, and Ray Wellman is back in as club champion succeeding last year's winner, Dan Watson.

Ray's scores for the 27-hole medal play were 37, 36, 31 for a one under par total of 104, which was five strokes up on the runner-up, Ken Reid who totaled 109. The winning margin was all picked up on the final nine holes when Wellman fired his four under 31.

The handicap division of the day's tourney was won by Tom Klippert who had a net 68 after shooting a steady 76 for the 18 holes. He was closely followed by Stu Beagle with a net total of 69, one stroke back.

Next tournament action in the district will be the Men's Match Play Tourney at High River over the Labor Day weekend. A number of Vulcan golfers plan to attend.

The Vulcan Golf Club Junior Tournament is now scheduled for Saturday, Sept. 16, starting at 1:00 p.m. Following the tourney, which is open to all Vulcan Junior golfers, there will be a barbecue and a social evening in the club house.

## Application For Hutterite Colony Considered 'New'

The Advocate has been advised that the new application of the Hutterian Brethren of Wrentham to purchase 5,550 acres of land in the Brant district and form a colony is, under the terms of the Communal Property Control Act, being treated as an entirely new application, inasmuch as the required three years have elapsed since the last application was made.

Any submissions made to the Board three years ago regarding the application at that time will have no bearing on whether or not the new application will be approved. Organizations or persons wishing to submit briefs or letters regarding the new application, or written evidence opposing or supporting the application, must mail such briefs, letters or evidence not later than Sept. 18, 1967, to The Communal Property Control Board, 202 Royal Trust Bldg., 10039 Jasper Avenue, Edmonton.

## Harvest Soon In Full Swing

Swathing of wheat is becoming general throughout the county, according to the Alberta Wheat Pool crop reports this week and harvest will be in full swing by this weekend.

In the Brant district, some hail damage was reported on Aug. 21, mostly in the Little Bow River area.

Most grain buyers are predicting an average wheat crop of 20 to 25 bushels per acre, with quality expected to be fairly good.

## Pasture Fire Threatens Wheat

The Vulcan Rural Fire Protection truck and crew were called to the Brian Erickson farm east of town Saturday noon last week to help extinguish a grass fire.

Thought to have spread from burning rubbish, the blaze raced through a 30 to 40 acre pasture and threatened to spread to swathed wheat on two sides and to adjacent grain bins, but with the help of neighbors and the services of the fire truck it was brought under control before this occurred.

## Talented Vocalist Charms Audience At Carmangay

(Special To The Advocate)

An audience of close to 200 persons were completely captivated and delighted by the charm and superb voice of the guest artist as she presented, An Evening with Linda Gay Flitton, in the Carmangay United Church on Sunday, August 27th.

Miss Flitton's versatility was obvious as her choice of selections ranged from opera to folk-songs, songs from the hit-parade and songs from the shows. The audience loved it all.

An important bit that added a

heart-warming air to her performance was when she announced that she would sing a little folk song taught to her by her grandpa Bill Ohler and then, spying her two little cousins, Keleta and Vian Ohler in the audience she mentioned that she was sure grandpa Ohler had taught them the same song and invited them to sing it with her. They did so and it was a very charming addition to the concert.

It is always a thrilling experience to listen to Miss Flitton and one

PARTIAL VIEW. Seen from the railway tracks is the main part of the new County of Vulcan Administration Building. Behind the huge poplar tree is a protected corridor leading to double glass doors and up to the main office located beyond the windows at right of the photo. On the upper floor the tall narrow windows look out from the council chambers.

Program At School

## \$265,000 Administration Building Opened By Minister Aug. 23rd

The new \$265,000 County of Vulcan Administration Building was officially opened Wednesday, Aug. 23, when close to 200 spectators attended the program at C.C.H.S. Auditorium before touring the premises.

In his first official duty as Minister of Municipal Affairs, the Hon. Edgar Gerhart brought a message of congratulations from his department and the government.

Other dignitaries introduced by Reeve Jack Deitz were Senator Earl A. Hastings, A. W. Morrison, Deputy Minister of Municipal Affairs; S. S. Graham, Director of Extension and Colleges Division, Department of Agriculture; C. L. Doane and Jack Edworthy, President and Manager of Alberta Association of Municipal Districts; Dr. Lawrence E. Kindt, MP for Crowfoot riding; Ray Speaker, MLA for Little Bow; Dave Schlerman, deputy mayor of Vulcan; D. D. McQueen, County Secretary-treasurer and Rev. W. Dormer.

With a congratulatory word to those who could "Now pay your taxes in air conditioned comfort", M.L.A. Ray Speaker introduced Mr. Gerhart who explained that while he was new to his present job, he felt familiar with municipal business, counties and especially the Vulcan County, through his late father who, in his political career as Minister of Municipal Affairs, had much to do with the introduction of the county system of local government.

Raised in a small Alberta town himself, Mr. Gerhart described his awareness of the need for co-operation between levels of government and the dependence of towns on the surrounding district and noted that from the appearance of farms, roads and communities in this area, a prosperous climate has developed from in-

## Del McQueen Retires After 41 Years Municipal Service

Over 41 years of service in the municipal field ends this week for D. D. (Del) McQueen, who retires Aug. 31, as secretary-treasurer of the County of Vulcan No. 2.

In March, 1926, he became assistant to the late A. J. Flood who at that time was secretary-treasurer of both the small M.D. of Royal No. 158 and the Town of Vulcan. Nine years later, in 1935, Mr. McQueen was appointed secretary-treasurer of the Municipal District of Royal, which at that time consisted of nine townships, and in 1943 when the M.D. of Royal and parts of other municipal districts were amalgamated to form the larger M.D. of Vulcan, he became secretary-treasurer of the new municipal district. A further change of major importance took place Jan. 1, 1951, when the municipal district converted to the county form of government and became the County of Vulcan No. 2.

Born at Deloraine, Man., April 17, 1895, Del McQueen came with his parents to Alberta at the age of 12 and completed his schooling in Lethbridge. During the First

Great War he enlisted in the Canadian Army and saw service in England. Returning to Alberta after the war he gained experience in office and clerical work before entering municipal service in 1926.

Like his father before him, Mr. McQueen has long been a member of the Masonic Lodge, which he joined at Vulcan in 1928. In 1958 he was elected Grand Master of the Grand Lodge of Alberta, A.F. & A.M. and still takes a very active part in the work of the Masonic Lodge at Vulcan. He is also a member of the Shrine in Calgary.

Widely known among municipal people in Alberta, Mr. McQueen has taken an active interest in the betterment of conditions affecting municipal secretary-treasurers. A staunch advocate of the county system since its inception in Alberta, he has contributed greatly to making the County of Vulcan an outstanding example of this type of local government.

At the present time, Mr. and Mrs. McQueen plan to continue residing in Vulcan.

## Police Quickly Solve Car Theft

A young Champion district resident is to appear in police court Wednesday of this week, charged with the theft of a new car from Richardson & Gould Ltd., in Vulcan and breaking and entering the United Church and Wheat Centre Motors.

Finger prints in the stolen car were found by Police Chief J. L. Moyer to match those of a suspect and this evidence led to the

young man making a confession to Cpl. Thachik of the Vulcan RCMP.

Another case this week was quickly solved by the town police. Theft of valuables from a suite was discovered when the occupants returned from a trip. Two hours after the complaint was laid, the valuables were recovered and the youth responsible was in police custody.

Construction on the new County Administration Building began Nov. 8, 1966 and the move into it by the staff took place June 23 this year, but to the many visitors who followed Municipal Affairs Minister Gerhart inside after he had officially cut the ribbon, everything was new, spacious and bright with more than a touch of elegance.

Greatly impressed and possibly somewhat envious were municipal and county men from Lethbridge, Willow Creek, High River, Stettler, Strathmore, Three Hills, Brooks, Gleichen and Red Deer, who gathered with district residents for a tour of the three floors and a concluding lunch.

Old and new architecture combines in the inclusion of the former office into the expanded building which is designed not only to meet present needs but has office and storage space for whatever needs may come in the future.

The brick facing of the original office is carried out in the new building and expansive windows, particularly in the upper floor council chambers, affords a full view of typical farming countryside.

Architects are Stevenson, Raines, Barrett, Hutton, Seton and Partners, Calgary while Kenwood Engineering Construction Ltd. of Lethbridge was the contractor.

The new building is 53' x 95' giving 5,225 square feet of floor space in the basement and main floor while the upper floor is 49' x 55' in size. The original office is 40' x 86' in size and is accessible to the main building through the joining hallway. The District Agriculturalist, Home Economist, Agricultural Service Board staff and company doing the country survey presently make use of the original premises.

The basement is unfinished as yet and contains space for school supplies, office duplicating department, and road construction office.

On the main floor the open business office is partially surrounded by offices of the secretary-treasurer and assistant, school superintendent, assessors, county maintenance department and other rooms house the accounting equipment, staff room and washrooms.

From the light colored tile floor of the main office visitors travelled upstairs and through the first floor on brown carpeting as they viewed the impressive council chamber, a lounge on the door of which is a plaque dedicating it to D. D. McQueen, a smaller committee room and a waiting room for delegations.

Most impressive is the council chamber done partially in wood panelling with floor to ceiling drapes along a wall of windows and also neatly covering a "tack board" and blackboard at either end of the chamber. New chairs

## Six Student Scholarships Available

Six scholarships are now available to high school students of the County of Vulcan and applications for these scholarships should be made as early as possible.

Established last year, the Mr. and Mrs. E. R. Finckh Scholarship Fund of \$25,000 provides that the interest from this sum shall be used annually to provide two scholarships for graduating students of the County Central High School at Vulcan. These bursaries are awarded each year to students graduating that year who have obtained clear senior matriculation for entrance to a university but whose further education may be impeded because of financial circumstances.

The students with the highest average marks among the students deemed to be eligible for the bur-

saries on the basis of need shall receive the awards each year. Contributing factors will be moral character, sincerity and industry, sportsmanship, citizenship and contribution to school and community life.

Applicants must have definite plans for contributing their education.

The committee selecting the scholarship winners consists of the Reeve of the County of Vulcan, the Superintendent of Schools for the County and the principal of the County Central High School.

Application forms for the Mr. and Mrs. E. R. Finckh Scholarships are available at the County Office and applications are now invited. The Andrew Haworth Scholarship, comprised on one year's in-

come from a \$10,000 trust fund, is awarded annually to the Carmangay student receiving the highest marks in the final year of Grade 12, including not less than four departmental subjects. The scholarship is to be used for the further academic or vocational training of the student. Applicants must be residents of Carmangay or district and attend a County of Vulcan high school or a high school adjacent to and sanctioned by the County of Vulcan.

The Percy Haslam Scholarship is awarded annually and provides for the continuation of education or training each year of a student whose parents have taken or are taking an active part in the work of the Berrywater local of the Farmers Union of Alberta.

Applications for the Haworth

and Haslam scholarships should be addressed to the Secretary-treasurer of the County of Vulcan and submitted as soon as possible.

The other two scholarships are those offered by the CCHS Students Union and known as the Herbert H. Mumby Memorial Scholarships, in memory of the late former principal of CCHS.

Each for \$50, the scholarships are to be awarded at graduation ceremonies in September of each year to the boy and girl at County Central High attaining the highest averages in six Grade 12 examinations the previous June.

Administrators are the Students Union chairman, the principal of CCHS, the County Superintendent of Schools and the Chairman of the School Committee.

## Dinton Flower Show Again Successful

Dinton W. I. has scored again with another very successful flower show held in Dinton Hall on Wednesday afternoon, August 16. The profusion of beautiful blooms and bright crisp vegetables gave no indication of the hot, dry summer which has prevailed in the district this year. We may be sure, however, that the farm water pumping systems have worked overtime, and in many refrigerators, food items have been set aside to make room for cut flowers. The large number of exhibits included quite a number of entries from High River and Blackie. There was a large attendance at the afternoon tea.

Mrs. Rodney Johnston, WI president, was mistress of ceremonies for the occasion. The judges, Mrs. Frank Haddock, well known Calgary horticulturist, and Mrs. W. H. Dowling, president of the Calgary Rose Society, had high praise for the show as a whole and for many individual exhibits. They pointed out where some exhibits could have been improved. The WI trophy for the highest total of points was won by Mrs. Herb McWilliam. Mrs. Murray Spangler and Mrs. Wm. Groeneveld tied for second place. The Dahlia trophy for the best display of tuberous dahlias was won by Mrs. Urban Bricker. The Rose trophy, donated by Berke's Jewellery in High River for the best display of outdoor grown roses was won by Mrs. Einer Anderson. The Grand Champion Gladiolus prize, donated by Mrs. Wm. Willocks, was won by Mrs. Herb McWilliam. The door prize was won by Mrs. Allan Hurl. The prize for the senior exhibitor of the show was won by Mrs. Ed Wellman.

Following is a list of the winners in the show.

### Cut Flowers

MISS FRANCES ANN CULLEN

District Home Economist

Box 480, Vulcan — Phone 485-2117

Dear Homemakers,

### FIRST DAY AT THE LITTLE RED SCHOOL HOUSE

Perhaps your child is about to fare one of the most important events in his life—his first days at school. He has heard a lot about this place—school, from his friends and he's looking forward to it with eagerness, curiosity and possibly a bit of fear. Even though he may be fearful he can't help but think school is a good place because other children, for example, his friends go there.

But is your child ready for this new adventure. The better he is equipped the faster will be his progress. A healthy individual is a more alert and attentive person. Have your family physician give your child a complete examination. Have his eyes examined and his teeth checked. If there are any defects, these should be corrected as soon as possible.

You should insist on your boy or girl getting regular and sufficient hours of sleep to help him enjoy school. He needs from ten to twelve hours of sleep to offset his tiredness.

A good appearance will help your child get along well with his schoolmates. His clothes should be simple and practical but at the same time attractive. His clothes should be roomy enough and all fastenings simple enough that he can dress and undress himself easily. A child gains poise and respect by doing things for himself.

Probably, the most important factor in a child's satisfactory adjustment to school life is his mental attitude. If he is used to having small duties and responsibilities at home, he'll have confidence in carrying out simple tasks at school.

If he is used to being respected as a person at home, and included in family discussions, etc., he will not feel the need of being boisterous in school in order to make his presence felt. If he has a healthy attitude towards authority at home, and learned the necessity of co-operation at home, he'll fit more readily into school life with its many regulations.

In short, most children have a good mental attitude who feel secure in their parents' affection.

## Village of Milo WARNING TO YOUNG SPEEDERS

The Village of Milo will no longer tolerate the street "buzzing" by young drivers that has been going on this summer. It is highly dangerous to life and limb as well as being a real public nuisance in the way of dust and noise. These young people have absolutely no consideration or respect for the people who live along these streets and who have to keep their doors and windows shut in real hot weather in order to keep the dust out of their houses.

As motor bikes are also a real nuisance again, we have no choice but to enforce Bylaw No. 50, which prohibits bikes from using all streets except Railway Ave. and 1st St. South up to the school.

We urge and appeal to every Milo citizen to co-operate with the Village Council in getting these young offenders' license numbers or names. Please turn this information in to the Village Council, who will turn it over to the R.C.M.P. so that action may be taken against the offenders. This applies to all motor vehicles speeding in the village, including cars, trucks and all types of motor bikes.

### TREE ORDERING TIME

The list of trees for 1968 delivery has just arrived. There are available, Poplars, Spruce, Maple, Ash, Willow, Lilac, Honeysuckle and many more. Of course, the old standby caragana is available as well as fruit bundles and some orchard material.

For those who haven't ordered trees from the Department of Agriculture before, be assured that the requirements are easily met and the quality of the plants is high. All material is rooted and is sent out when it is nearest the best age to transplant. The only cost to you will be freight.

When you fill out your application, certain information is required. Your land location and a sketch where these trees will be planted is necessary. The approximate distances involved will be useful to assure enough trees will be ordered. The land which is to be planted to trees must be summerfallowed for one year and be free of quack grass and other perennial weeds.

We have complete lists of trees here at the office as well as information on size, shape, etc., of the different species of trees. Booklets on Pruning and tree management are also available. Drop in to the office and pick up some of these booklets.

### FALL RYE & WINTER WHEAT

Several fellows have asked about fertilizing fall rye and winter wheat so I assume that there may be others that are interested. Fall rye on stubble normally requires 30 to 40 lbs. of 11-48-0 drilled in at seeding time. If the crop looks good enough next spring you could broadcast 90 to 100 lbs. of 33-5-0 or 34-0-0. If you're seeding your fall rye on summerfallow you should drill in at seeding time 40 to 60 lbs. of 11-48-0. As before, if the crop appears to have wintered well enough, it would be useful to broadcast 75 to 90 lbs. of 33-5-0 or 34-0-0 in the spring.

These recommendations for fall rye are the same as those for winter wheat. The problem of winter kill can be very severe with winter wheat so you will likely want to seed your winter wheat on stubble.

If you would like any further information, drop in to the office.

OFFICE DAY: Every Tuesday has been set aside for an office day in Vulcan. This policy was established last spring and seems to work well. Too often farmers have come to town and found that I was out on a farm call or some other job. By having a Tuesday office day, I hope that more farmers can be served. I will be in the office at other times, but it would be wise to phone if you are going to make a special trip.

### LOMOND

Miss Joanne Humphreys is visiting relatives in Swift Current, Saskatchewan.

Mr. and Mrs. Allan Nielson and family of Edmonton are visiting at the home of the former's mother, Mrs. Edith Nielson.

Mr. and Mrs. Johnnie Gray have returned home from their holidays.

Mr. and Mrs. Art Humphreys were Lethbridge visitors last week.

Mr. and Mrs. Larry Chase and family of Woodstock, New Brunswick are visiting at the home of Mr. and Mrs. Pete Ruppert and family.

Mr. and Mrs. Pete Ruppert and Mrs. Velma Porter were Lethbridge visitors on Friday of last week.

Mr. and Mrs. Ralph Richardson and family and Mrs. Dora Chase were Sunday visitors at the L. Chase and Pete Ruppert homes.

### BIRTHDAY CLUB

The regular August meeting of the Birthday Club was held at the home of Mrs. Ann Johnson. It opened by singing "Let's All Sing Like the Birdies Sing," with thirteen members answering roll call by each member paying one cent for each letter of her name. There were six visitors present.

The "Annual Day's Outing" was again tabled as inconvenient at this time, and it was decided to discuss this again at a later meeting.

The wedding dance for Mr. and Mrs. Frankie Koch (nee Rosemary Garnett) was discussed and plans were completed for catering to the

lunch. Then plans were made for a Social Evening and shower to be held for the same couple at Badger Lake School for Aug. 26 at 8:00 p.m.

A miscellaneous shower was planned for Mr. and Mrs. Bill Thompson (nee Fran Killian) to be held Wednesday, Aug. 30 at 8:00 p.m. at the Lomond Community Centre. Also discussed were plans for catering to the lunch for the forthcoming wedding dance for the aforementioned couple to be held the evening of Saturday, Sept. 2, also in the Lomond Centre.

The next meeting of the club will be held at the home of Mrs. Elmer Mamm's in town with roll call to be a small gift donation suitable for a "Fish Pond." The meeting closed by singing "Happy Days Are Here Again." Our birthday members for this month were Miss Carrington, Mrs. Crawford and Mrs. Williamson.

The hostess and her assistants served a delicious lunch to close a busy afternoon.

### ATTENDS 22nd 4-H CONGRESS

Along with nine other leaders from Alberta Gordon Lucas, leader of the Lomond 4-H Beef Club attended the award trip to the 22nd state congress in Bozeman, Mont., from Aug. 15-17.

At this congress held at the Montana State University were 700 4-H members from Montana, Alberta leaders, County agents and members of the University staff. In addition to the 10 leaders other guests were young people from Batswana, from Ecuador, Ireland, Iscriid, 4-H members and chaperons from Alberta were Harvey Haines, Vermilion; Norman Schmidt, Spruce Groves; Arlene Dowswell, Wetaskawin; Marilyn Duncan, Big Valley; Miss Judy Murta, assistant 4-H supervisor and William Proctor, District Agriculturist.

The group took part as visitors in many events, seeing Montana 4-H at the best. For this is where the state finals are completed.

The ten leaders travelled in two U Drive rent cars provided by the Department of Youth.

Traveling expenses were taken care of by the Canadian Utilities Ltd., and Calgary Power.

### BLACKIE

Sympathy is extended to the Wilderman families on the passing of Mrs. Wildermans father J. Evans. Mr. Evans moved to Blackie in 1912 and was engaged in farming, real estate and the hotel business before retiring to Calgary in 1950. He passed away in Calgary at the age of 85.

Sympathy is also extended to the Wark families on the passing of their son and brother Amos in a Calgary hospital.

Mr. and Mrs. Art Johnston have been visiting at Barrhead with Mrs. Johnston's daughter Lois and family.

Mrs. Lil Manville of Calgary was a visitor in Blackie last week.

Winter services at the United Church will be held a half hour earlier starting Sept. 3 at 9:30 a.m. This is also Flower Sunday. Everyone is asked to bring what flowers they have. Sept. 10 is Rally Sunday and Sunday school will also start this Sunday. Communion will be held the first Sunday in October and Nov. 12 Rev. Wood of the Bible Society will be guest speaker if he is able to attend.

**CHAMPION FIDDLER.** Al Cherny, two-time winner of the Canadian Old Time Fiddlers' Contest, will be back with the Tommy Hunter when the Tommy Hunter Show returns to the CBC-TV network Friday, Sept. 8. Al's skill at the fiddle brought rounds of applause from audiences from Canada to India during a recent CBC world tour.

### MOSSLEIGH

Sunday School classes will commence on Sunday, Sept. 10 at 10:45 a.m. All children are welcome.

Eric Hagedorn attended a reunion of the Edmonton University Choral Group held at Lake Louise on Saturday, Aug. 19.

Visiting at the Koole residence the week is Mrs. Koole's mother Mrs. Zanin of Lethbridge.

Mr. and Mrs. Clark Christie have had the pleasure of the visit of Judy's sister Linda Carne. Linda recently returned to Calgary from Germany where she has spent some time with her father Captain W. Carne and family.

During the second week of August Mr. and Mrs. Archie Hay and family accompanied by Mr. and Mrs. Don Kennear and family of Calgary spent several days camping around the Shuswap area in B.C. Mr. and Mrs. Bertschy accompanied the above mentioned persons for one night.

Mr. and Mrs. Arnold Jorgensen of Swift Current, Sask., called at the home of their niece Mr. and Mrs. Robert Tharle.

Mr. and Mrs. D. L. McKinnon from Paisly, Ont., stopped to visit with Mr. and Mrs. Wilford Hagedorn while on route home from Alaska.

Mrs. Thelma Beacom, Mrs. Ollie Brooks and Mrs. Elme Books were guests at the wedding of Miss Yvonne Elliott and Andrew Stappeler on Friday, Aug. 25 at Sacred Heart Church. Mossleigh community extend congratulations and best wishes to Mr. and Mrs. Andrew Stappeler whom will reside at Eckville, Alberta.

Mr. and Mrs. Lloyd Brown enjoyed a camping trip in following areas, Montana, Yellow Stone Park, Creston, B.C. While in Creston they called on Marie Jolly. While in Choteau Mont., enquiring as to the location of a relative the information was given them by Mrs. Ruth Jessop, mother of the late Bob Jessop whom farmed in the Mossleigh and Arrowwood districts.

It is real fortunate there was

no extensive damage to property when a fire got burning dead grass on the school yard at Mossleigh Sunday afternoon. The fire fighting equipment was called from Arrowwood but by the time it arrived the fire was under control.

## \$265,000 Administration Building

(Continued From Front Page)

dustrious farmers and the county system "A new and efficient way of running public affairs."

Tribute to D. D. McQueen was paid by Mr. Gerhart for his 41-year career in municipal and county service and he spoke of the high esteem in which his father had held Mr. McQueen.

In his brief remarks, S. S. Graham of the Department of Agriculture spoke of the excellent co-operation between his local representatives and county officials and reviewed the growth and expansion of agricultural service by the government. A now-humorous instance of this co-operation occurred years ago in a bad grasshopper season when Mr. Graham spoke of coming into town in an empty truck to meet several hundred farmers who expected him to have a load of "hopper" poison. He said local officials smoothed things over so he was able to leave town safely.

In complimenting county officials on their new building Senator Hastings explained that, "The essence of democracy is decisions made at the local level" and his prediction was that the local administration will be as good in the future as it has proven to be in the past.

Dr. Kindt, A. W. Morrison, Jack Edworthy, Dave Schlerman and C. L. Doane all joined in good wishes to the county.

All speakers gave particular emphasis to their pleasant association with D. D. McQueen, retiring secretary-treasurer, and before retiring the financial picture of the new building he expressed his appreciation of the kind words and paid his own tribute to the councillors with whom he has worked through the years and to his staff, "Where we have tried to dedicate ourselves to doing things for people."

In addition to the \$265,000 building cost, Mr. McQueen said furnishings amounted to \$15,000 while inclusion of the project in the Federal Winter Works scheme brought a return of \$29,000.

### GOING TOO FAST?

"Judge, so help me I wasn't going 60 or 50 miles an hour; I wasn't even going 40 or 30."

"Stop," said the judge, "before you back up and hurt somebody."

## Talented Vocalist

(Continued From Front Page)

realizes that her timing and control are excellent and with her truly great voice she is completely in control of every selection she sings. The warmth and happiness that she projects are not just showmanship but one feels it is truly herself that comes through. This transforms her audience and no one is quite the same after listening to her and watching her perform. Her singing comes from the heart and the listener realizes he has experienced a touch of greatness. Shelley wrote: music when the soft voices die, vibrates in the memory. An evening with Linda Gay Flitton will vibrate in the memory and heart of her audiences wherever she goes.

Miss Flitton was accompanied at don of Calgary and Jey Jacobson the piano by Miss Lenora Baldwin of Carmangay, an accomplished musician in her own right.

There was a sensitive bond of deep understanding between pianist and soloist which was felt by the audience and this added much to the performance. Mrs. Baldwin's accompaniment was flawless and showed the touch of the professional.

Bouquets were presented to Miss Flitton and Mrs. Baldwin after the recital and Rev. Bruce Fyke spoke briefly thanking the two ladies for their performance.

A reception was held in the church basement and lunch was served by ladies of the U.C.W.

The recital was sponsored by the official Board of the Carmangay United Church. Special guests present were Dean Gundlock, M.P., and Mrs. Gundlock of Lethbridge, Rev. and Mrs. Dormer of Vulcan, Rev. and Mrs. Stanislov of Barons, Rev. Father McCallum of Vulcan, Dr. and Mrs. Ted Crapnell of Pictouville.

It is interesting to note that Southern Alberta's towns and villages were well represented with people coming from Calgary, Lethbridge, Claresholm, Barons, Champion, Nobleford, Staveland, Carmangay and Vulcan. All in all it was a most successful evening and it would be encouraging to feel that a repeat performance could be expected in the future.

## County Against Application

(Continued From Front Page)

application to the provincial Centennial Commission to transfer some of the unused funds to the Reid Hill project.

The secretary-treasurer advised the council that the district engineer's office in Calgary had requested that a stop sign be erected at the corner leading out of Little Bow Park on to District Highway leading to Champion. The councillors were in agreement with this, and by-law No. 628, a by-law to amend By-law No. 441 to authorize stop signs was introduced, read and passed the required three times.

It was moved by Mr. Haga and carried that the agreement with the Department of Highways covering the 1967 base course of paving, be approved and that the reeve and secretary-treasurer be authorized to sign on behalf of the county.

A representative from National Grain Co. was present and interviewed the council in respect to the establishment of a disposal field for residence of the Kirkcaldy agent, and requested that the company be permitted to purchase Lots 13 and 14, Block 3, Plan 7272 A.G. Kirkcaldy. Councillors were in agreement with this request.

Frank Thurber, Chairman of the School Committee, reported to the council on school affairs and gave details of the teacher situation and other routine matters which had been dealt with.

The council discussed Mr. Haga's report of the Municipal Commission's report and noted that the road work, both paving and construction, was progressing very favorably this year due to the warm weather and ideal conditions for work.

Vernon Jordan reported to the council in respect to the preliminary study of the drainage problem submitted by Merle J. Smith in respect to the N.E. 4-17-25-W4th. Information was that this project was too large an undertaking for the Service Board, and it was suggested that the P.F.R.A. be contacted to see if there was any solution to this problem.

It was moved and carried D. D. McQueen, secretary-treasurer of the County of Vulcan No. 2, retire from his position with the county effective Aug. 31, 1967. The members of the council expressed their regrets at passing this motion and wished Mr. McQueen much happiness in his retirement and many years of good health.

By-Law No. 631, a by-law to appoint Kenneth Howard Gatenby secretary-treasurer of the County of Vulcan No. 2 effective Sept. 1, 1967, was introduced, read and passed the required three times. It was regularly moved and carried that Ivan Haga be appointed Deputy Reeve of the county for the July to December term.

By-Law No. 632, a by-law of the County of Vulcan No. 2 to authorize the borrowing of a sum of \$40,000 repayable within five years for extra-ordinary expenditure to provide housing for teachers, was introduced, read and passed the required three times.

A letter from E. W. Breach, chairman of the Municipal Property Control Board, in respect to an application of the Rock Lake Hutterian Brethren to purchase certain lands in the Brant area, was read for the information of the council. It was noted that the submissions in respect to this application were to be in the hands of the board not later than Sept. 18, 1967.

A letter from L. A. Hill, superintendent of Canadian Pacific Railway, Lethbridge, in respect to the crossing at Mile 52.34 of the Lomond Subdivision, was read. The letter stated that the company would install the planks on the crossing after the grading had been done by the county.

The secretary-treasurer drew the attention of the council to the

## 300 Spectators At Swim Show

The young people in Vulcan displayed much talent during the recent annual swim show. The approximate 300 spectators watched a water ballet duet by Fay Findlay and Barb Weber. Sylvia Douville, George Nolan, Johnny Deans, Karen Weber, Linda Douville and Lee Douville entertained with various dives.

Boys and girls competed in the novelty races — a pylon relay, diving for rings and a tire tube upset. This was followed by a more advanced group of divers—Shirley Hanna, Judi Douville, Lorraine Warren, Steve Hagg, David Haverly, Gordon Nolan, Bill Turley, Karen Christofferson, John Haverly and Dave Warren. Lee Olsen, one of the pool staff, gave a demonstration of, How To Water Ski In a Swimming Pool! Some stunt dives were performed by the above mentioned. A team of six girls: Linda Douville, Barb Weber, Lorraine Warren, Winkle Giles, Karen Christofferson and Karen Weber, presented, The Impossible Dream, which closed out the evening's program.

## July Wedding For Barbara Malmberg

St. Benedict's Church of High River, Calgary, Lethbridge River was the scene of a pretty wedding Friday, July 7, when Barbara Kaye, eldest daughter of Mr. and Mrs. Earle Malmberg of Herronton became the bride of Wayne Clarence Green, son of Mr. and Mrs. Clarence Green of Mossleigh, in a double-ring ceremony. Rev. Stringer of the High River Anglican Church officiated at the ceremony.

Given in marriage by her father, the bride wore a full length sheath gown of luxurious Venice lace. A train of delicate lace tracery flowed from her shoulders. Her headpiece of satin roses and petals was combined with a tiered bouffant veil trimmed with tiny seed pearls.

The three bridal attendants, Leslie Willocks, Lana Malmberg, and Carol Thurber looked lovely in short gowns of orange-ice crepe back satin, with matching accessories and bouquets of white carnations.

Attending the groom as best man was Brian Willocks, with Don Malmberg and Bob Green acting as ushers.

Organist for the wedding was Mrs. Jack Pickersgill.

For her daughter's wedding, Mrs. Malmberg chose a turquoise chiffon dress completed by turquoise accessories with a corsage of white gardenias. Mrs. Green, mother of the groom, wore a turquoise printed sheath accented by white accessories and a corsage of white gardenias.

A reception followed at the High River Masonic Lodge for 130 guests. The bride's table featured a three-tiered wedding cake made by the bride's mother and decorated by Mrs. Nelson. The Eastern Star Lodge catered at the reception.

Cousins of the bride Linda and Wendy Malmberg were in charge of the gifts and guest book which was signed by guests from Longview, Spring Coulee, Carseland, Champion, Vulcan, Drayton Valley, Blackie, Herronton, Mossleigh,

High River, Calgary, Lethbridge and Edmonton. Al Mackay uncle of the bride, acted as master of ceremonies. Doug Malmberg, also uncle of the bride, gave the toast to the bride to which the groom ably responded. Brian Willocks proposed the toast to the bridesmaids.

Open house was held at the

home of the bride's parents, followed by a dance at the Mossleigh Community Hall with music by Thurburns Orchestra.

For her going away outfit, the bride chose a turquoise knit suit complemented with white accessories and a pink corsage.

Mr. and Mrs. Wayne Green are making their home at Brant.

# The dead classroom

A startling and proven fact: one classroom of high school students is wiped out every week because of car accidents.

It is an unbearable statistic, but true. More young Canadians are killed in automobile accidents than by any other cause.

Young drivers as a group are involved in more automobile accidents than any other drivers. This is the simple reason insurance rates are higher for them.

We, in the automobile insurance industry, provide training courses, bursaries and technical assistance to high school instructors to help them teach safe driving to their students.

Students who pass approved high school driver training courses earn lower insurance premiums.

At present, only 14% of high schools across Canada have these driver training courses.

Parents, teachers — just ask yourselves: Must a classroom be wiped out next week?

You can help prevent such tragedies by supporting driver training programmes in your community.

### DINTON

Mrs. Wm. Groeneveld and Mrs. Herb McWilliam, who have attained their certificates for judging horticultural shows, have been invited to assist in the judging of the Calgary Horticultural Show on Aug. 25-26. This is a distinct honor, well deserved, and congratulations are extended to both ladies.

Congratulations to Mr. and Mrs. Gordon Sewell whose 79th and 80th birthdays were celebrated on Sunday, Aug. 20, with open house at the home of their son and daughter-in-law, Mr. and Mrs. Denis Sewell. The community extends best wishes for many more happy anniversaries.

Mr. and Mrs. Clarence Laycraft have been holidaying at Banff.

Mr. and Mrs. Don Thurber and Bonnie were Sunday visitors at the home of Mr. and Mrs. Dwayne Jones (nee Gladys Groeneveld) at Balzac.

Mr. and Mrs. Dave Ellice and daughter Marcella were weekend visitors at the home of their son-in-law and daughter Betty, Mr. and Mrs. Glen Lausen at St. Albert, which is out from Edmonton.

Mr. and Mrs. Urban Bricker visited at the home of their daughter Betty, Mrs. Rodney Cyr, her husband and family of Pincher Creek, on Sunday, Aug. 20, for their granddaughter Bernice's fifth birthday party. Other members of the family who attended the birthday celebrations were Barry Bricker and Mr. and Mrs. Allan Hurl and daughter Leanne. Granddaughters Bernice and Rhonda returned with their grandparents for a visit at the Bricker home.

Mr. and Mrs. Earl Meadows and boys have returned from a very enjoyable holiday at Waterton Lakes.

Deepest sympathy is extended from the community to Mrs. Evans and the family on the passing in Calgary of their husband and father, Jack Evans, who was well known in this area during the many years he was in the hotel and real estate business in Blackie.

Mr. and Mrs. Howard Snider and family of Aldersyde were Sunday visitors at the home of Mrs. Snider's parents, Mr. and Mrs. Frank Thurber.

Mr. and Mrs. Roy Meadows and family have been holidaying in British Columbia.

Lloyd Groeneveld and friends from Carseland and Strathmore have returned from a holiday at Kelowna where they attended the Kelowna Regatta.

Mike Raycraft has returned from a 12-day trail ride along the Spray Lake into British Columbia and along the Palliser River to near Radium. The trip was organized by Allan Murray of Okotoks and Howard Steel of Calgary. Each rider had to take his own pack and riding horse. The scenery was simply beautiful and the ride very enjoyable, though they didn't do as much fishing as they had hoped to.

Mr. and Mrs. Herb McWilliam had relatives from Red Deer, Mr. and Mrs. Alvin Little, visiting at their home on Sunday, Aug. 20.

Mr. and Mrs. Ron Giles of Tees, Alta., were recent visitors at the home of Mr. and Mrs. Mike Raycraft and Mrs. Giles is a niece of Mrs. Melvin Raycraft.

Recent visitors at the home of Mr. and Mrs. Wm. Groeneveld were Mrs. Groeneveld's brother and sister-in-law, Mr. and Mrs. Glen English and their daughter Julia of Wartime, Sask.

Loralee Suitor, Mr. and Mrs. Bob Suitor's little daughter, has been staying with her grandparents, Mr. and Mrs. Gordon Seney and attending vacation school in Blackie United Church.

Mr. and Mrs. Olan Curlee of Wichita Falls, Texas, have been visiting at the home of Mr. and Mrs. Mike Raycraft. Both couples spent last weekend at Banff, sight-seeing and fishing. The visitors are thrilled with Canada, and have enjoyed their trip very much.

The community extends deepest sympathy to the Muzo emerald mines, 75 miles from Bogota, the capital of Colombia, have been in operation for 400 years.

sympathy to Mrs. Jim Wark and the family on the passing of her eldest son, Amos, in the Foothills Hospital, Calgary, on Aug. 23. It is a privilege to pay a small tribute to Amos' memory. His long years of invalidism were borne uncomplainingly, and his cheery outlook and bright interest in everything were an inspiration to his family and friends.

Swathing of barley and oats is in full swing. Some barley has already been combined, which weighed in at the elevator at 52 lbs. to the bushel. This is four lbs. heavier than standard measurement, and gives some indication of how much heat and drought a crop can endure if there are good moisture reserves. Bravo for May snowstorms.

### FLOWER SHOW AND FAIR

Congratulations to Mrs. Wm. Groeneveld who won the Crowhurst trophy with the highest total of points at the High River Horticultural Show on Saturday, Aug. 19, and to Mrs. Herb McWilliam for winning the prize for the champion gladiolus spike at the same show.

Congratulations are also extended to Mrs. Herb McWilliam, Mrs. Murray Spangler and Mrs. George Gillanders of this district, and to Mrs. Jim Montgomery Jr., of the Blackie district who were all winners of substantial prize

money with their entries of flowers, vegetables, cooking and sewing at the Millarville Fair which was held the same day.

Few people who have never exhibited at Millarville, realize all that is involved and how well earned their prize money is when exhibitors, particularly in the flower display classes, show at Millarville. For days beforehand, blooms are chosen with the utmost care, cut and conditioned in cool basements or refrigerators. The evening before the show, a good deal of midnight oil is burned while beautiful and artistically perfect arrangements are made, then again returned to cool quarters. Shortly after daybreak, the exhibitor is busy loading the flowers, oh so carefully, in the family car. Then there is a 40-mile or more drive to Millarville to have the exhibits displayed and ticketed for judging before 9 a.m.

Those who drive up later in the day to see the fair, are all agreed from this area add to the show.

### HUNTING LICENCE APPLICATIONS

#### TROPHY ANTELOPE SEASON—

October 21st to October 28th

#### SAGE GROUSE SEASON—

October 21st to October 24th

This year a random selection of a limited number of antelope and sage grouse licenses will be made from all properly completed applications received from Alberta residents. "Resident" means a person who is a Canadian citizen and who has resided in the Province for a period of three months immediately prior to the date of application for a licence, or who is not a Canadian citizen but has resided in the Province for a period of one year immediately prior to the date of his application for a licence.

Before applying for a licence it is necessary to have a 1967 Wildlife Certificate. A group of hunters, up to a maximum of four, who wish to hunt in the same vicinity may submit their applications in one envelope. Each applicant is allowed only one application. As there are several areas open to antelope hunting, please indicate on the front of the envelope your first, second and third choice.

The 1967 trophy antelope season is restricted to male antelope only which have horns of a length sufficient to exceed the length of its ears, that is, a horn length of not less than five (5) inches.

The special sage grouse licence is valid only in Wildlife Management Units G 102, G 104 and G 116.

All applications must be submitted on a special form available only at Provincial Fish and Wildlife Offices. As illegible or incomplete applications do not qualify, it is important to read the instructions.

A money order or certified cheque payable to the Provincial Treasurer must be enclosed with each application.

—\$7.50 FOR TROPHY ANTELOPE LICENCE

—\$1.00 FOR SAGE GROUSE LICENCE

Completed applications should be forwarded to:

Fish and Wildlife Division,  
Department of Lands and Forests,  
Edmonton, Alberta.

APPLICATIONS MUST BE POSTMARKED NOT  
LATER THAN SEPTEMBER 2nd, 1967.

# Celebrating 75 years of brewing the "GREAT BEER!"

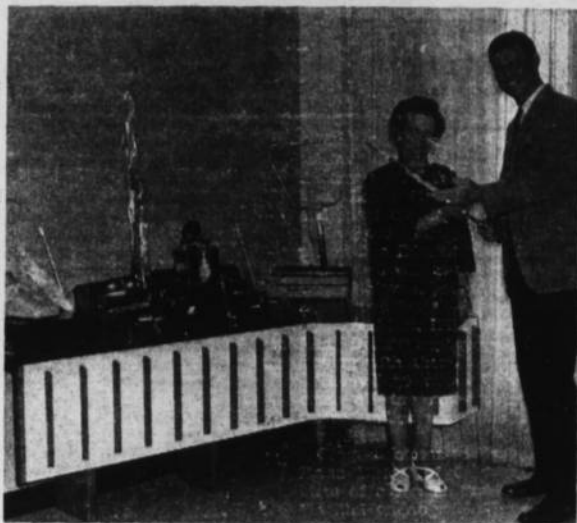

CALGARY BREWING... since 1892

Back in 1892, the first Calgary Beer was brewed. Great beer then! Great beer now!

Even then, we had our own spring of pure, crystal water. "Calgary" has been brewed with this same perfect water for 75 years. Naturally!

Here's our new Diamond Jubilee label. It marks 75 years of brewing Alberta's "great beer".

CFCN WINNER. Mrs. Lloyd Dalling of Vulcan recently won complete fishing tackle from A L & Sporting Goods in a contest sponsored by Carnation milk and

carried over CFCN Television. Mrs. Dalling is shown with Gary Gibney of CFCN who presented her with the prize on behalf of Carnation.

### KIRKCALDY

Mrs. Carl Maeck of South River, Ont., has been visiting for the past two weeks at the home of her brother-in-law and sister, Mr. and Mrs. Calvin Hollister, and at Champion with her brother-in-law and sister, Mr. and Mrs. Stephen Cowgill.

Mrs. Roy Oldfield of Calgary spent Monday visiting at the home of Mr. and Mrs. Glen Bateman.

Mrs. Martin Berger accompanied her son and family from Edmonton to her home at the weekend where she will remain for two weeks.

Mrs. Calvin Hollister and Mrs. Carl Maeck attended a brunch on Monday at the home of Mr. and Mrs. Stephen Cowgill at Champion with 14 guests present. The occasion honored the birthday an-

niversary of Mrs. Maeck, a sister of Mrs. Hollister and Mrs. Cowgill, and was a farewell prior to her return on Tuesday to her home in South River, Ont.

Miss Barbara Scott, Miss Alma Jordon of Calgary were Sunday visitors at the home of Mr. and Mrs. Don Mallory.

Mr. and Mrs. Louis Cropley and Vera and Jimmy Kennedy of Minburn, Alta., renewed acquaintances in the district on Monday and Tuesday.

Mrs. Glen Domier and friend of Lethbridge spent Sunday at the Carnegie home.

### WOMEN'S INSTITUTE

Mrs. Donald Mallory was hostess for the Kirkcaldy Women's Institute on Monday with nine members and two visitors present. Mrs. Earl Galloway presided with Mrs. Bert Maisey as secretary and Mrs. Calvin Hollister as treasurer. Roll call was answered by, "What Do You Think About Insecticides and Sprays."

Letters of appreciation were received from Vulcan Recreation Committee and from the Unitarian Service Committee for two quilts sent early in the year.

A contest conducted by Mrs. Glen Green was won by a visitor Mrs. Carl Maeck. Tea draw was won by Miss Nettle Ware.

Lunch was served by the hostess to conclude the meeting.
